About This Workbook

The Think Like A DJ: Workbook is an accountability tool for you. It will help you identify areas of success and opportunity in your activation of the 7 Steps To Spin Poverty Into Prosperity. Complete this document in solitude, free from distraction and/or stress.

In your own words, describe your dream vision:

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

Is that all? Did you miss any details?

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

A Dream Statement is a brief affirmation you can repeat to amplify your positive energy!

WHAT IS YOUR DREAM STATEMENT?
Did COVID-19 impact your energy level, work ethic or are you fearful to start your business idea because suddenly you feel uninspired? Learn inside knowledge from an Emmy Award Winning DJ, filmmaker and self-published author about the proven 7 Steps to refocus your vision & reignite your passion and productivity in a global pandemic. In this new world, you are your best asset. Together, let’s get your turntables spinning hits again!
I will write my vision daily because:

I will speak & repeat my personal dream statement 7 times daily because:

I have the following 7 naturally unique passions, gifts, skills, talents or abilities:

1. 
2. 
3. 
4. 
5. 
6. 
7.
Describe 7 practical ways to generate income streams from your 7 passions, gifts, skills, talents or abilities:

1. 

2. 

3. 

4. 

5. 

6. 

7. 

I have overcome the following 7 F.E.A.Rs in my life: *(Forget Everything And Rise)*

1. 

2. 

3. 

4. 

5. 

6. 

7. 

Overcoming these fears makes me feel:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

Based on conquering these feelings, can I overcome future fears? (Circle One) 

Yes / No 

If I created my best life-party, I would feel:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
